

Prefab vs. Custom Cabinets: What's the Difference?

Are you looking to install new cabinets but feeling overwhelmed with the choices? People often get prefabricated (prefab) cabinets and custom cabinets confused. Learn about the differences between the two types of cabinet choices here.

PREFAB CABINETS ARE:

- Budget-friendly →
- Ready to assemble or install →
- Factory-finished →
- Less customizable →

CUSTOM CABINETS ARE:

- ← Available in any design
- ← Custom-fit
- ← Longer-lasting
- ← More expensive
