

# In-House Design Consultants

# FLOOR FACTORS

The in-house design consultants at Floor Factors can help you choose the flooring for your next commercial or residential project. Our showroom is a great resource for architects, homeowners, and business owners to get the design process started and bring their vision to life.

## ✓ Commercial & Residential Services

Floor Factors offers residential and commercial flooring services. With over 35 years of quality workmanship, we are the local favorite floor covering resource for homeowners and have completed outstanding commercial projects all over the Portland Metropolitan area.

## ✓ Our Showroom

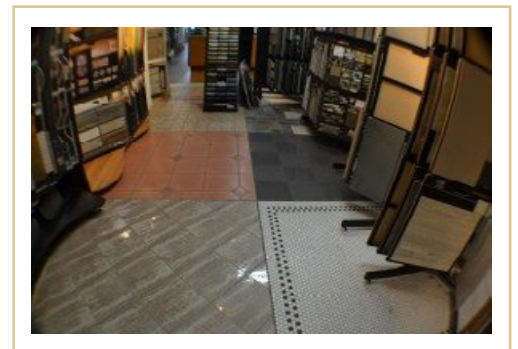

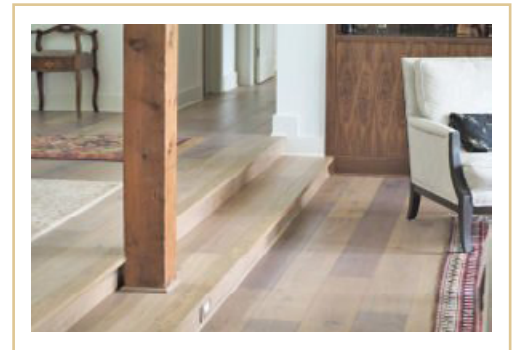

Our showroom houses thousands of samples of flooring, such as pre-finished hardwood, carpet, bamboo, tile, stone, vinyl, laminate and much more. We work closely with our customers to bring their residential or commercial flooring vision to life.

## ✓ Architectural Flooring Resource

As an architectural flooring resource, Floor Factors provides useful inspiration during the design stage of all flooring and carpeting projects. Our flooring showroom is open for architects to visit, allowing them to see and feel the countless flooring options we carry. We can also provide complete information regarding the durability and sustainability of all our materials.

## ✓ Keen Attention to Detail

Our experts are experienced, knowledgeable, and extremely detail-oriented, making them a prime resource for creating beautiful and functional spaces. Every aspect of your project will be expertly managed and completed on time and on budget.
